

Regeneration Series: Anselm Kiefer from the Hall Collection

November 21, 2016 – August 27, 2017

This exhibition launches NSU Art Museum's new *Regeneration Exhibition Series* that focuses on post-World War II European artists whose works address issues of identity and the convergence of history and mythology. Anselm Kiefer's work is uncompromising in its exploration of the disasters of World War II and other historical traumas.

Reading List
